*D.O. No. 5/4/2016-PESB*  
*Dated: 30th January 2017*

*Dear*

As you may be aware that Public Enterprises Selection Board invites applications for filling up the vacancies for Board level posts in various CPSEs in physical form. There are instances where the applications received were either incomplete or were received after the last date of receipt of application. Such applications are rejected at the time of shortlisting thereby affecting the career prospects of the applicants. To obviate such situations and to make the process user friendly and transparent, PESB will be introducing online application procedure shortly. The online application system will be uniform for all its stakeholders, and will also facilitate the nodal agency and cadre controlling authority in speedy verification of the applications and its timely forwarding to the PESB.

2. PESB has already developed a software in association with the NIC for receiving online applications for selection to the Board level posts in CPSEs in consonance with the e-Governance efforts of the government.
3. The application once filled by the candidate would be required to be verified and forwarded through proper channel, as prescribed in a Job Description, to the PESB for processing and shortlisting for selection meetings.
4. I shall be grateful if all the Cadre Controlling Authorities, Ministries/ Departments of Central Government nominate a Nodal Officer, not below the rank of an Under Secretary to the Government of India or equivalent for the above purpose.
5. Your co-operation in this regard is solicited.

*With regards,*

*Yours sincerely,*

To Secretaries of concerned Ministries/Departments.
